## TO WHOM IT MAY CONCERN

I have had the pleasure of having Maria Camila Vanegas Ramirez as a student in my class of Buying Retail Management – Fashion Buying Product Management Master course - at Polimoda International Institute Fashion Design and Marketing, Florence. She has been one of my students for one semester.

Camila has been an excellent student. In order to achieve all her objectives and my deepest respect, she has demonstrated outstanding leadership and maintained a clear sense of purpose.

She is a great extemporaneous speaker and debater. She is able to successfully complete multiple tasks with favorable results despite deadlines pressure.

She has an analytical mind that allows her to sort through problems in a way that makes sense. This is another attribute that I know will make her an excellent employee.

In my years of work in the academic and professional world she is one of the finest people I have had the pleasure of working with. Her work ethic, intelligence, and excellent abilities will allow her to succeed in whatever she puts her mind to. I offer her my highest recommendation without reservation. Her drive, enthusiasm and abilities will truly be an asset to any establishment.

If you have any other questions, please feel free to contact me.

Best regards,

Alessandra Ferroni
